

Camellia Oak Residence

Program Summary & Facility Details

Facility Overview

Location: Antioch, CA (Contra Costa County)
Capacity: 6 Beds (100% Single-Occupancy Rooms)
Licensure: Level 6 ARF (License Pending)
Vendorization: Regional Center of the East Bay (RCEB)

Target Population

Camellia Oak Residence is uniquely designed for adults (ages 18-59) with developmental disabilities who require intensive staffing and specialized behavioral or medical support that cannot be safely met in lower-level settings. We welcome individuals with complex needs who benefit from a calm, structured, and highly capable care environment.

Clinical & Staffing Model

- LVN-Supervised Care: Medical and daily routines are overseen by a Licensed Vocational Nurse.
- Awake Overnight Staff: 24/7 dedicated support ensures safety around the clock.
- Intensive Staffing Ratios: DSP ratios are tailored to the individualized needs of each resident.
- Specialized Consultants: We partner with BCBAs, dietitians, and psychiatric professionals.

Therapeutic Environment

- Private Space: Every resident enjoys a private, single-occupancy bedroom.
- Accessibility: Full ADA compliance, including roll-in showers and barrier-free common areas.
- Community Proximity: Immediate access to community resources, parks, and Kaiser Antioch.
